CARTE POSTALE. POSTKARTE

Bideford. Here, from the steep green hill behind the town, Bideford is seen to best advantage. The whole width of the River Torridge, on whose western bank Bideford stands, is clearly seen, and the fourteenth century bridge across it, of 24 pointed arches and a total span of 741 feet, is manifest as a delightful promenade. The church tower visible is old, but the rest of the building is modern.
